

The Bethesda Project

...Connecting Kepplewray with Burundi

N'AMAKI? Aug 09

Dear

Thank you for all the help and encouragement you have given us so far!

Many people have been asking how best to continue their support
– we hope this helps!

HOW CAN YOU HELP?

Do your own fundraising!

Have your head-shaved! Organise a ceilidh!
Have a pudding night! Run a pub quiz!

These are ideas which friends have come up
with and raised money themselves for
The Bethesda Project!

THANK YOU to everyone who has done this –
it has been a huge encouragement to us!

SPONSOR US...
on our 24-hour bike ride!
OR JOIN US!

See leaflet for details

We're looking for old equipment...canoes, bouyancy aids,
orienteering markers, archery equipment, computers, sewing machines

If you have anything we could use,
or know anyone that might have old equipment...

...PLEASE GET IN TOUCH!

Do you know of
any trust funds we
could apply to?

Does your workplace/
organisation donate
money to charitable
causes?

Please look out particularly
for those that work in Africa.

News and Prayer

Please Thank God For...

- Evariste's visit to the UK which went really well! Evariste is very friendly and was great at working with all the different groups. He learnt huge amounts about Outdoor Activities and working with people with disabilities. He left Keppleway on Monday 20th July having made some good friendships and he told us as he left that he had been changed in many ways by his stay here. We thank God for him!
- Our new logo and website being designed by Helen Mahood and Tim Corrigan respectively! We thank God for their kindness and creative skills!
- Money that has been given or promised – we now have over **£11,000** in gifts/pledges!

Please Pray For...

- Successful outcomes of applications to trust funds.
- Wisdom over every decision. In particular:
 - How to get the equipment out to Burundi.
 - What date to fly out – currently sometime in November!
- Evariste as he begins to set up the project in Muyinga. He will be doing further training, making contacts and setting up team challenges.
- Energy for us as we prepare to go whilst also continuing our work at Keppleway.
- TRUSTING IN GOD – remembering that we cannot do this on our own!

Thank you for all your support, interest and prayers so far -
we are feeling very loved by you all!

Please do keep in touch!

**Love from,
Steve and Lucy**
